December 5, 2019

Dear Dairy Science Professionals:

On behalf of the Georgia Milk Producers, Inc., I would like to invite you and interested dairy science students to the *2020 Southeast Dairy Student Symposium* on January 19 and 20 during the Georgia Dairy Conference in Savannah.

The *Southeast Dairy Student Symposium* (SEDSS) connects dairy science students with dairy producers and industry affiliates to explore internships and careers in the Southeast dairy industry. Students attending SEDSS will have the opportunity to exchange ideas among fellow students; to discuss internship and job opportunities exclusively with trade show vendors; and to interact with SEDSS speakers during the speaker sessions.

Enclosed are brochures for you to distribute among your students. To register online, fill out the form at <http://www.gadairyconference.com/sestudentsym>. If you would like to mail the form included in this packet, please return to GA Milk Producers, 1641 New High Shoals Rd., Suite 5, Watkinsville, GA 30677.

Industry sponsors will graciously provided hotel rooms for each university (for students and for the advisor). To reserve your room, please contact our office at 706-310-0020 or email me at gamilkproducers@gmail.com.

We hope you consider attending this event. We also encourage you to attend the social activity on Sunday evening. This teambuilding experience will provide the students a chance to network among one another and will be held at The Escape Company. Please feel free to contact me with any questions regarding this event. To learn more about the symposium and the 2020 Georgia Dairy Conference, visit www.gadairyconference.com or on Facebook at <https://www.facebook.com/SEDairySym/>

Sincerely,

Farrah Newberry
Executive Director
